

Welcome to the FREE **New to Zoom?** Class!

Here are the steps you need to take to complete the class...

1. Open up with documents found on the google drive and read through them. Don't feel like you need to do anything with them yet. The video will talk you through when you will need to use them. They may not apply to everyone.
2. Next, watch this brief video walking you through Zoom. Just click on this link to get started: <https://youtu.be/ipnG1ilNxco>
3. Now that you've watched the video and you've read the other documents (and decided if you need to use them), give your first zoom session a try! Feel free to go back and rewatch the video to guide you through any of the steps that you might have missed along the way.

Congratulations! And Best Wishes using this technology!
