

Request to be Invoiced...

Thank you for your interest in taking **Workforce Solutions** classes. Payment is required at registration; however, we can invoice companies and organizations but need your permission to do so.

Workforce Solutions is part of Laurel Ridge Community College who will actually invoice your company/organization. To do so, we need an "Authorization to Bill".

Please provide the required information (in blue) so we can invoice your company/organization. Three options:

- Copy and paste into (or recreate) an email and email to tthornhill@laurelridge.edu

Change blue copy to black. If they are taking multiple classes, please use one form per class. Add students as necessary if there are more than five.

We would also ask that you call our office at (540) 868-7021 to advise us how and when you are submitting this form so we can be prepared to receive it. If you have any questions, please contact us at (540) 868-7021. We'll be happy to assist you
